SPT **EXTREME**: A POP-UP TV EXPERIENCE LIKE NO OTHER!

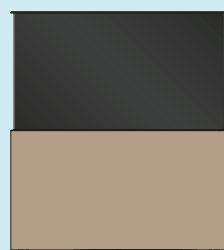

The Stealth Patio Theater (SPT) *Extreme* is a unique, retractable outdoor LED TV system. Its four massive screen sizes are large enough to be seen from the patio, the pool, and the entire backyard! When not in use the SPT *Extreme* disappears from view, retracting into its base.

For audio as breathtaking as the screen, choose Cabinet-Mounted Speakers, which can operate while the display remains closed, or a Sound Bar system that rises with the screen. SPT *Extreme* is also available without speakers.
