EL-4KHDBT-RX-40-18G HDBaseT Extender

Features

- Extends 4K UHD Video up to 40m (3840 x 2160 @30Hz 4:4:4, 4096 x 2160 @24Hz 4:4:4, and 4K @60Hz)
- Extends 1080p Video up to 70m
- HDMI Loop Output for integrating local display or cascading to multiple devices
- Bi-Directional RS-232 pass-through
- Bi-directional IR pass-through
- Supports POC to receive power from HDBaseT transmitters

Specifications

Video Input Connectors	1 x HDBaseT RJ45 connector
Video Output Connectors	1 x HDMI Type A
RS-232 Serial Port	1 x 3-pin Phoenix connector
IR Input Port	1 x 3.5mm stereo jack
IR Output Port	1 x 3.5mm mono jack
Audio Input / Output Port	Optical in, Optical out, Analog L/R out
Casing Dimensions (W x H x D)	140mm x 84mm x 18mm
Dimensions Including Connection (W x H x D)	140mm x 98mm x 18mm
Power Supply	12V / 1A DC, locking barrel connector
Shipping Weight	0.5Kg
Operating Temperature	23°F to 131°F (-5°C to +55°C)
Storage Temperature	-13°F to 158°F (-25°C to +70°C)

PACKAGE CONTENTS

- (1) EL-4KHDBT-RX-40-18G
- (1) Mounting bracket set
- (1) Quick reference guide
