### ***Smarter Surveillance Arrives with ELAN OS 9 + Updated Nice Surveillance Cameras***

*Take home security to the next level with the powerful combination of **ELAN OS 9.0** and the new **Nice surveillance camera lineup**, with 10 brand new SKUs including a PTZ option. This integrated solution delivers a seamless, feature-rich experience designed for ultimate peace of mind.*

#### ***What's New in ELAN OS 9.0***

- ***Enhanced Surveillance Interface*** – A sleek, modern design with intuitive navigation and crisp visuals that highlight what matters most.
- ***Advanced NVR Features*** – Audio recording, playback, and export capabilities, plus time-lapse and video summaries to jump straight to the action.
- ***Real-Time Two-Way Audio*** – Full-duplex communication between cameras and any Viewer endpoint (ITP, HR40, Mobile, Desktop Apps).

#### ***Meet the Nice Camera Lineup***

- ***Adaptive Night Color*** – Automatic IR and white light switching for clear, full-color views when a target is detected.
- ***Onboard Mic & Speaker*** – Enable two-way talk and audio recording directly from your NVR.
- ***Advanced Analytics*** – Precise motion detection with person/vehicle identification, tripwire alerts, and more.
- ***Deterrent Technology*** – Flashing lights and audible alerts to stop intruders in their tracks.

#### ***Choose from turret, bullet, dome, and PTZ models:***

- ***4MP Cameras*** – Best-in-class features with deterrent technology.
- ***8MP Cameras*** – superior image quality and night vision, improved analytics, Red & Blue deterrent lights
- ***PTZ Camera*** – 5x optical zoom, auto-tracking, and audio/visual deterrents.

***Upgrade to ELAN OS 9.0 and Nice Cameras for smarter, stronger, and more intuitive surveillance.***
